BHS Ayrshire are proud to announce a trailer towing training session with Protec Training & Consultancy Ltd. at Craighead Farm, Dalry – see www.craigheadfarm.co.uk to find out more information about the company. It is a LANTRA Awards registered training centre providing an extensive array of the very latest in training courses for the land-based sector. Course include 4x4, winch operations, and a full range of horticultural and agricultural based training.

The training session will take place on Tuesday 3rd August 2010 at Craighead Farm, Dalry. It will start at 7pm sharp and will last for approximately 2½ hours.

The evening will consist of a classroom based presentation, a practical session and hopefully a demo-drive. You can either bring your own trailer and the instructor will give the vehicle/trailer a safety/legal check and point out any problems they may have or you can use those available at Craighead Farm. The demo-drive will be done in the company's vehicles.

The session will cost £15 each for BHS members and £20 each for non-BHS members. ***It should be noted that spaces will be limited to 6 people and will be dealt with on a first come first served basis. Priority will be given to BHS members. If there is sufficient interest, another session can be arranged.*** Please make cheques payable to "BHS Ayrshire" and send with this application form to Julie Hanna, 32 Winstanley Wynd, Kilwinning, North Ayrshire, KA13 6EB by the 23rd July 2010.
